

SHAKE, SPRAY, SPECTACULAR!

ONE GLAZE FOR ALL CERAMICS

Getting the BEST Glaze RESULTS has Never Been FASTER, EASIER or More AFFORDABLE!

- ✔ Incredibly fast application process; complete more units with less labor
- ✔ Spray directly over set surface stains without displacement; save time by eliminating a firing cycle
- ✔ Extremely thin, uniform coat preserves surface detail and occlusal anatomy; stays where you put it and reduce remakes
- ✔ Dries white in seconds instantly showing coverage; determine finished results and eliminate re-fires
- ✔ Smooth and glossy surface texture after firing without streaks; consistent application that enhance the beauty of your crowns
- ✔ Clear high luster results that won't turn cloudy or gray after one firing; achieve natural esthetics and greater control quickly
- ✔ Universal material; reduce inventory needs with ONE glaze material
