Jensen Dental Hosts Course at Champion's Crown & Bridge in Houston, Texas

Taught by Peter Pizzi, CDT, MDT, the two day hands on course covered a rationale methodology to help eliminate the frustrations often encountered during the diagnostic process. Attendees learned how incorporating communication, material options and selection, photography, and color communication into their daily regiment will enable them to achieve the highest level of predictability and satisfaction.

Attendees included: Back Row (L to R): Victor Castro, Jeff Singler, Sam Sawvel, Peter Pizzi, Robert Coleman, Jon Springer, Krystyna Jasinski, Debbie Fichter, Jay McCulley. Front Row (L to R): Samantha Madsen (Jensen Dental), Alfredo Flores, Bill Bell, Roy Cho, Anton Nelson, Kristi McCulley (not pictured Shirley Galindo).
